About Alturas

Alturas International Academy is in Downtown Idaho Falls, Idaho in a Historic building. At Alturas students attend school four days a week and teachers come on Fridays to get prepared for the week. Students are in multi-age classrooms and are taught at their instructional level, not at grade level. Students collaborate on their work and support one another in their learning. Teachers work as facilitators with their students in a small group setting to support them in their learning. All students have 1-1 access to Chromebooks. School administrators are involved in the classrooms and support the teachers with students.

Requirements: Performance Requirements (included but not limited to the following)

- Familiarity with our charter school concepts and philosophy
- Willingness to collaborate with a team and remain open-minded to new and innovative ways of teaching
- Performs all other duties as assigned consistent with the responsibilities of a teacher and the Idaho Code of Ethics
- Assess, screen, and evaluate students and effectively share results with parents and educational staff, and participate in the eligibility determination process in accordance with state and school division requirements and best practice
- Develop and implement Individual Education Plans (IEPs) for students with Speech/Language impairment and assists with IEPs for students with speech/language as a related service.
- Comply with all Medicaid requirements for school-based claiming, including obtaining written Medicaid consent from parents of all students served and timely filing of claims that meet Medicaid standards
- Demonstrate knowledge of child growth and development and individual student needs by providing relevant instruction according to the IEP and educational best practices
- Provide consultative services for school staff by sharing and demonstrating specific techniques and working with school teams to facilitate relevant and consistent interventions for targeted students
- Maintain records and information concerning individual students in the prescribed confidential manner and using the records and information only for the purposes for which they are maintained according to FERPA guidelines
- Provide direct and consultative therapeutic services related to expressive, receptive, and pragmatic language
- Communicate and collaborate with parents and the school community for the purpose of fostering individual student success and growth while engaging the families in the therapy program
- Establish and maintain cooperative professional relationships with administrative and school staff
