Alturas International Mission Statement

Alturas International Academy promotes academic distinction while empowering students to be principled and intellectual leaders as they explore, create, investigate, and analyze in a safe, engaged, collaborative environment that inspires them to make a genuine difference in their local and global community.

About Alturas International Academy

We are an innovative change for education. With a master approach to education, our students are taught in small group instruction at instructional levels. This gives them the opportunity to work with partners and collaborate at high levels using analytical and critical thinking skills. Alturas International teaches self-discipline and responsibility to all students; provides a physical environment that is welcoming and conducive to learning; promotes communication and interaction in the classroom; supports an affective environment that promotes a sense of belonging and self-esteem; and provides an academic environment that promotes learning and self-fulfillment.

Teacher Job Requirements

International Baccalaureate & Collaboration

- Four-day school week for students, and teacher collaboration and planning on Fridays
- Teaches and educates students according to guidelines provided by the International Baccalaureate (IB) and the Idaho State Common Core
- Researches and understands the International Baccalaureate philosophy and curriculum at high levels
- Creates a strong classroom community using the International Baccalaureate Profile
- Plans, prepares and delivers lessons at instructional levels, mainly in small group instruction
- Collaborates with colleagues and writes high level unit planners
- Plans and prepares project-based units
- Builds strong relationships in the community and creates connections for the benefit of the school and community

Classroom Environment & Communication

- Students are taught at instructional levels
- Promotes the academic and social progress and well-being of individual students, groups of students and the community of the classroom
- Maintains strong classroom and school discipline among students
- Analyzes data, assesses, records and reports on the development, progress, academic achievement and behavior of students
- Provides continual feedback to parents on their child's progress and needs
- Communicates, consults and cooperates with other members of the school staff and parents to ensure the best interests of all students are met
- Maintains a well-organized, clutter free, clean and orderly classroom

Academic Practices

- Utilizes data following a careful review and effectively administers interventions
- Advises and collaborates with the leadership team and other teachers in the preparation and development of the curriculum, teaching materials and methods of teaching and assessments
- Review, reflect and evaluates one's own teaching and learning strategies and methodologies
