Drug Free School Zone

The Board of Directors recognizes that the misuse of drugs is a serious problem with legal, physical, and social implications for the entire school community. As the educational institution of this community, the schools should strive to prevent drug abuse and help drug abusers by educational, rather than punitive means.

For purposes of this policy, “Drugs” shall mean:

1. All dangerous controlled substances as so designated and prohibited by Idaho law;
2. All chemicals which release toxic vapors;
3. All alcoholic beverages;
4. Any prescription or patent drug, except those for which permission to use in school has been granted pursuant to Board policy;
5. “Look-alikes”;
6. Anabolic steroids; and
7. Any other illegal substances so designated and prohibited by law.

In accordance with Federal law, the Board hereby establishes a “Drug-Free School Zone” that extends 1000 feet from the boundary of any school property. The Board prohibits the use, possession, concealment, delivery, or distribution of any drug or any drug-related paraphernalia at any time on Charter School property, within the Drug-Free School Zone, or at any Charter School-related event. Furthermore, the Executive Director and/or Principal shall take the necessary steps to ensure that an individual eighteen (18) years of age or older who knowingly delivers or distributes controlled substances so designated and prohibited by Idaho law within the Drug-Free School Zone to another person is prosecuted to the fullest extent of the law.

The Executive Director and/or Principal shall prepare guidelines for the identification and regulation of drug use in the schools. Such guidelines shall emphasize the prevention of drug use and include a statement to students that use and possession of illicit drugs and alcohol is harmful and unlawful. The student handbook shall provide standards of conduct that are applicable to all students which clearly prohibit, at a minimum, the unlawful possession, use, or distribution of illicit drugs and alcohol by students on Charter School premises or as a part of any Charter School activity.

Sanctions for violation of this or any other policy which addresses illegal drug and alcohol possession, use, or distribution may include, together with punitive action, voluntary referral to appropriate persons or agencies for screening and assessment.
