### Personnel Files

The Charter School maintains a complete personnel record for every employee, certificated and classified. Much of the information contained in employee personnel files is confidential and access to such files should be limited to the Executive Director and/or Principal, supervisor, the employee, the employee's designee or representative, and schools requesting information based upon Idaho Code for hiring.

A log of those persons, other than the Executive Director and/or Principal or other administrative staff, will be kept indicating the date and time of inspection, name of person requesting access, description of the records copies, if any, and the initials of the person providing the access and/or copies requested.

In accordance with federal law, the Charter School shall release information regarding the professional qualifications and degrees of teachers and the qualifications of paraprofessionals to parents upon request for any teacher or paraprofessional who is employed by a school receiving Title I funds and who provides instruction to their child at that school. Access to other information contained in the personnel records of Charter School employees is governed by Policy 4260 Records Available to the Public.

In accordance with state law, not later than twenty (20) days after receiving a request, the Charter School shall release information regarding job performance or job related conduct, as defined by Idaho Code, to schools requesting such information for hiring purposes. See Policy 5100 Hiring Process and Criteria and Procedure 5500P Procedures for Releasing Personnel Records to Hiring Schools.

### Certificated Employees

The Charter School shall maintain official Charter School files for employees.

An employee's official file shall be kept in the administrative office. It should, at a minimum, include the following records:

9. A copy of the employee's job description signed by the employee;
10. A signed acknowledgement that the employee has received a copy of the Charter School's sexual harassment policy;
11. A signed acknowledgement that the employee has received a copy of the Charter School's email and internet use policy;
12. Documentation of additional training received, course work completed, in-services attended, etc.;

17. Transcripts of credits earned (for credit review purposes);
18. Salary schedule placement; and
19. Any information relevant to the evaluation of the employee.

The file may contain notes and observations. Letters of recommendation will be kept in a separate, sealed file maintained by the Principal or a separate, sealed portion of the personnel file. Personal notes of supervisors should be placed in the personnel file if they are relevant to the evaluation of the employee.

Each employee will be provided written notice of all materials placed in an employee's personnel file. Notice shall be provided within ten (10) days of placement of information in the employee's file or, if possible, presented to the employee prior to placement in the file. An employee will have the opportunity to attach a rebuttal to any information placed in the employee's personnel file. An employee will have twenty-one (21) days from the date of written notice of placement to attach a statement or notification of rebuttal.

Upon request, an employee or the employee's designee or representative will have access to the employee's personnel file, with the exception of letters of recommendation, and will be provided copies, upon request, within a reasonable period of time. The request, inspection, and/or copying of the file will be logged indicating the date and time, name of person requesting access, description of the records copied, if any, and the initials of the person providing the access and/or copies requested.

### Other Files upon Separation

Idaho law recognizes that other files may be kept relative to employees, such as investigative files. Upon separation of employment, all documents from such files, including investigative files, shall be moved into the employee's personnel file. Names of students, fellow employees,

or complainants (with the exception of the employee's administrative supervisor or other administrative authors) shall be redacted from such documents before they are placed in the personnel file. Copies of such documents shall be provided to the employee within ten (10) days of placement in the personnel file and written notice of their inclusion in the file by sending such to the employee's last known address. The employee shall be given the opportunity to file a rebuttal to such information in the same manner outlined above.
