Charter School Policy

The adoption of new policies and the revision and amending of existing policies shall be the sole responsibility of the Board of Directors.

All policies shall conform to local, state, and federal laws as well as to the rules and regulations of the Idaho Department of Education.

Adoption and Amendment of Policies

Proposed new policies and proposed changes in existing policies shall be presented in writing for reading and discussion at a regular or special Board meeting. Such proposals may be referred to the Executive Director and/or Executive Director and/or Principal for detailed study as needed prior to Board action on the proposal. The Board encourages the Executive Director and/or Principal to contact other experts to have potential Board policy researched. Interested parties, including any Director, citizen, or employee of the Board may submit views or present data or arguments, orally or in writing, in support of or in opposition to proposed policy. Any written statement by a person relative to a proposed policy or amendment should be directed to the secretary.

Temporary approval may be granted by the Board in lieu of formal policy to meet emergency conditions or special events which will take place before formal action can be taken.

All new or amended policies shall become effective upon adoption, unless a specific effective date is provided in the motion for adoption.

Policies as adopted or amended shall be made a part of the minutes of the meeting at which action was taken, and shall also be included in the Charter School's policy manual. Policies of the Charter School shall be reviewed annually by the Board.

Administration in Absence of Policy

In cases where action must be taken before the next board meeting and where the Board has provided no policies or guides for administrative actions, the Executive Director and/or Principal shall have power to act.

His or her decisions, however, shall be subject to review by action of the Board at its next regular meeting. In addition, it shall be the duty of the Executive Director and/or Principal to inform the Board of such action and the need for policy.

Suspension of Policies

Under circumstances which require a waiver of a policy, the policy may be suspended by a majority vote of the Directors present. In order to suspend a policy, all Directors must have received written notice of the meeting which included a proposal to suspend the policies with an explanation of the purpose of such proposed suspension. If such a proposal is not made in writing in advance of the meeting, the policies may only be suspended by a unanimous vote of all the Directors present.

Policy Manuals

The Executive Director and/or Principal shall develop and maintain a current policy manual which contains the policies of the Charter School. Each administrator, as well as staff, students, and other residents, shall have ready access to the manual. All policy manuals distributed to anyone shall remain the property of the Charter School and shall be subject to recall at any time.
