### Gangs and Gang Activity

The Board of Directors is committed to ensuring a safe and orderly environment, where learning and teaching may occur without physical or psychological disruptions, unlawful acts, or violations of school regulations. Gang activities create an atmosphere of intimidation in the entire Charter School community. Both the immediate consequences of gang activity and the secondary effects are disruptive and obstructive to the process of education and school activities. Groups of individuals which meet the definition of gangs, defined below, shall be restricted from Charter School grounds and Charter School activities.
